Education

Vellore Institute of Technology, Bhopal

Bachelor of Technology, Computer Science Engineering

September 2021 – May 2025 (Expected)

CGPA: 8.73

Technical Skills

Languages: Dart, Java, SQL

Developer Tools: Android Studio, VS Code, MySQL

Technologies/Frameworks: Git, Flutter, OpenAI API

Internship

Gamers Tag Pvt. Ltd.

Flutter Developer Intern

September 2024 – November 2024

- Contributed to the development, updates, and maintenance of **GamersTag** and **Bingo** App using Flutter and Dart, focusing on performance optimization and user engagement.
- Collaborated with a 4-member team to implement new features, manage bug fixes, and ensure seamless functionality across devices.

Zivaka LLP

Flutter Developer Intern

February 2024 – June 2024

- Spearheaded the end-to-end development life cycle of 2 cutting-edge applications using **Flutter**, encompassing all phases from initial concept and design to coding, testing, and deployment.
- Developed **CoalStar** App for order tracking and invoicing for a coal consignment business tracking expenses and **Asadel** for doctor-patient video conferencing.
- Enhanced QA team efficiency by resolving critical bugs, tracking issues in Jira, and ensuring seamless collaboration with developers and designers through **GitHub**, and **Figma**.

Projects

CooP | Dart, OpenAI, Lottie, Hive 🐙

February 2024

- Built an app featuring **chatbot**, **AI image generation**, and **language translation** using Dart, Flutter, OpenAI, and Lottie for an engaging user experience.
- Implemented **Hive** for local storage and **OpenAI** for real-time data management, ensuring efficient execution of AI features.

Kheti Sahayak | Flutter, Firebase, HiveDB 🐙

December 2023 – May 2024

- Developed Kheti Sahayak, an agricultural application using **Flutter**, led initiatives to maximize tool utilization by implementing an off-season rental program.
- Designed and developed an admin panel for efficient administration, enabling **item registration**, **user detail updates**, and **product management**, ensuring effective oversight and streamlined operations.

Extra-Curricular Activities

- Led community engagement initiatives as an **NSS Volunteer**, fostering collaboration and supporting well-being initiatives for **200+** community members.
- Pioneered trans-formative collaboration efforts with local health organizations, resulting in a rise in **blood donation** awareness, leading to improved community well-being and emergency preparedness.
